

Sense of Humor 幽默感 — 2012 年 8 月 21 日

We are so glad you join us today. We are your hosts Mark, along with Wen-Jie.

听友你好

Wen-Jie, guess what ?

What?

Week after week, we create new radio programs and new content and even some videos at our website.

对了，我们每周都尽力为你预备新的广播内容，网站上的短片等不同栏目。

That's right. It does take effort and work.

Absolutely. And every project that you do sometimes you feel like you lay eggs, just like chickens do.

Haha. 马可说，有时感觉好像母鸡要常常下蛋一样。

I know what you mean. But, that's not too hard.

这还不算太难呢！

What do you mean?

Well, chicken can lay eggs everyday. But, think about Pig.

想想看猪。

Pig?

Pig has to give up himself completely.

You do have a good point.

In order to offer the Ham.

猪可要全部摆上，我们才有火腿可以吃。

Ah...Compare with that, I prefer the chicken over the pig.

I agree! Let's just stick with chickens then!

我们还是做鸡好了。

Haha...That sounds fine to me.

The Way We Talk 日常口语怎么说

Our key phrase today is: "Sense of Humor".

今天的关键字是，Sense of Humor 幽默感。

Humor is what makes something funny.

幽默，就是使其有笑感。

A sense of humor is the ability to recognize it.

幽默感，是能够认出什么带出有笑感的能力。

For example, He likes to tell jokes and make funny stories.

好比，他喜欢说笑话，说滑稽的故事。

We say, He has a good sense of humor. He displays a sense of humor.

他表现出好的幽默感。

He has a good sense of humor. He displays a sense of humor.

But, not everybody is born with a great sense of humor. It is a learned ability.

幽默感不是天然就有的。是后天学习来的。

That's why we would say: try to develop a sense of humor

也因此我们说，发展出幽默感来。

To create a sense of humor, or to improve your sense of humor,
创造出幽默感，增强幽默感。

Don't take yourself too seriously,
不要太过于严肃认真。

Try to Lighten up and loosen up a bit.
尝试轻松一点，随意一点。

So, that's the Way We Talk. "A good sense of Humor" and "Develop your sense of humor".

Words to Live By 圣经良言

Proverbs 17:22 箴言

A cheerful heart is good medicine,
喜乐的心是良药。
but a crushed spirit dries up the bones.
忧伤的灵使骨枯乾。

A cheerful heart is good medicine, but a crushed spirit dries up the bones.

The Bible also says that, "There is a time to laugh."
笑有时，这是圣经的话。

Even God has a sense of humor.
甚至也记载，神也是有幽默感的。

Many Christian leaders or pastors have great sense of humor.
许多基督徒的领袖和牧师很有幽默感。

For Wen-Jie and I, we do know one pastor who knows and have a good sense of humor.
