Cherubim and Seraphim, falling down before Thee
Which wert, and art, and evermore shall be

Holy, holy, holy, though the darkness hide Thee
Though the eye of sinful man, Thy glory may not
see
Only Thou art holy, there is none beside Thee
Perfect in pow'r, in love, and purity

All Thy works shall praise Thy name, in Earth, and
sky, and sea

2 How Lovely Is Your Dwelling Place [\(Back to DP7\)](#)

How lovely is Your dwelling place almighty Lord
There's a hunger deep inside my soul
Only in Your presence are my heart and flesh
restored
How lovely

How lovely is Your dwelling place almighty Lord
There's a hunger deep inside my soul
Only in Your presence are my heart and flesh
restored
How lovely is Your dwelling place

In Your court there's shelter for the greatest and
the small

The sparrow has a place to build her nest
The pilgrim finds refreshment in the rains that fall
And each one has the strength to meet the test

How lovely is Your dwelling place almighty Lord
There's a hunger deep inside my soul
Only in Your presence are my heart and flesh
restored
How lovely is Your dwelling place

A single day is better when spent in humble praise
than a thousand years of living without You
The Lord bestows His favour on each one who
obeys
And blessings on the one whose heart is true

How lovely is Your dwelling place almighty Lord

There's a hunger deep inside my soul
Only in Your presence are my heart and flesh
restored

How lovely is Your dwelling place

6 The Servant King [\(Back to DP9\)](#)

From heaven You came, helpless Babe
entered our world, Your glory veiled
not to be served but to serve,
and give Your life that we might live

This is our God, the Servant King,
He calls us now to follow Him
To bring our lives as a daily offering
of worship to the Servant King

There in the garden of tears,
my heavy load He chose to bear
His heart with sorrow was torn,
'yet not my will but Yours,' He said

This is our God, the Servant King,
He calls us now to follow Him
To bring our lives as a daily offering
of worship to the Servant King

Come see His hands and His feet,
the scars that speak of sacrifice;
Hands that flung stars into space
to cruel nails surrendered.

So let us learn how to serve,
and in our lives enthroned Him;
Each other's needs to prefer,
for it is Christ we're serving.

This is our God, the Servant King,
He calls us now to follow Him
To bring our lives as a daily offering
of worship to the Servant King

Blessing You and Your wonderful ways

There is only one Lord that we cling to;
There is only one truth that we claim;
There is only one way that we walk in;
There is only power in one name.

And in the strong name of Jesus,
By the blood of the Lamb,

We are able to triumph;
We are able to stand,
In the power of His Spirit,
By the strength of His hand,
In the strong name of Jesus,
By the precious blood of the Lamb.

Though apart from Him, we can do nothing;
By His Spirit, we can all things
Covered by His blood, we are made righteous;
Lifting up the name Christ the King;

I've found shelter in Your fathering arms
Suffer me to hear Your voice in my ear
Beckon me with words that draw me near
Bid me to come and I will follow

I will follow You, where You want me to,
I will follow You

May Your Kingdom come, may Your will be done
Father in heaven, lift my eyes to the sky
One day I will see heaven's royalty
Till the day the trumpet rings in my ear
Bid me to come and I will follow

We will call out to him as our father
He is our God, he is the rock... he is our saviour...

Those fathers and the mothers forsake us
The lord himself will receive us
He'll teach us his ways, he's our father...
He is our God, he is the rock... he is our saviour...

As a father has compassion on his children
So the lord has compassion on those who fear him
We will call out to him as our father
He is our God, he is the rock... he is our saviour...

Lord sets the lonely in families
Leads fort the prisoners with singing
Father to the fatherless defender our windows
He is our God, he is the rock... he is our saviour...

Those fathers and the mothers forsake us
The lord himself will receive us.
He'll teach us his ways, he's our father...
He is our God, he is the rock... he is our saviour...

As a father has compassion on his children
So the lord has compassion on those who fear him
We will call out to him as our father
He is our God, he is the rock... he is our saviour...
He is our God, he is the rock... he is our saviour...
He is our God, he is the rock... he is our saviour...

2 Beauty For Ashes [\(Back to DP16\)](#)

He gave me beauty for ashes
The oil of joy for mourning
The garment of praise
For the spirit of heaviness

That we might be trees of righteousness
The planting of the Lord
That he might be glorified

He gave me beauty for ashes
The oil of joy for mourning
The garment of praise
For the spirit of heaviness

That we might be trees of righteousness
The planting of the Lord
That he might be glorified

That he might be glorified

3 White As Snow [\(Back to DP16\)](#)

White as snow
White as snow
Though my sins were as scarlet

Lord, I know
Lord, I know
That I'm clean and forgiven

Through the power of your blood
Through the wonder of your love
Through faith in you
I know that I can be
White as snow

White as snow
White as snow
Though my sins were as scarlet

Lord, I know
Lord, I know
That I'm clean and forgiven

Through the power of your blood
Through the wonder of your love
Through faith in you
I know that I can be
White as snow

White as snow
White as snow
Though my sins were as scarlet

Lord, I know
Lord, I know
That I'm clean and forgiven

Through the power of your blood
Through the wonder of your love
Through faith in you
I know that I can be
White as snow

White as snow
White as snow

4 Something Beautiful ([Back to DP16](#))

Something beautiful, something good
All my confusion He understood
All I had to offer Him was brokenness and strife
But he made something beautiful of my life

If there ever were dreams
That were lofty and noble
They were my dreams at the start
And hope for life's best were the hopes
That I harbor down deep in my heart
But my dreams turned to ashes
And my castles all crumbled, my fortune turned to
loss
So I wrapped it all in the rags of life
And laid it at the cross

5 Let Your Glory Fill This Place ([Back to DP16](#))

Oh, let Your glory fill this place

We will worship and adore You,
We will bow before Your throne
Let the fruit of our lips be pleasing to You
And let Your glory fill this place,
Oh, let Your glory fill this place

Oh, We will worship and adore You,
We will bow before Your throne
Let the fruit of our lips be pleasing to You
And let Your glory fill this place,
Oh, let Your glory fill this place

Oh, We will worship and adore You,
We will bow before Your throne
Let the fruit of our lips be pleasing to You
And let Your glory fill this place,

10 The Power Of Your Love ([Back to DP16](#))

Lord I come to You, let my heart be changed,
renewed
Flowing from the grace that I've found in You
And Lord I've come to know the weaknesses I see

in me
Will be stripped away by the pow'r of Your love

Hold me close, let Your love surround me
Bring me near, draw me to Your side
And as I wait, I'll rise up like the eagle
And I will soar with You
Your Spirit leads me on in the pow'r of Your love

Lord unveil my eyes
Let me see You face to face, the knowledge of Your
love
As You live in me
Lord renew my mind
As Your will unfolds in my life living every day
In the power of Your love

Hold me close, let Your love surround me
Bring me near, draw me to Your side
And as I wait, I'll rise up like the eagle
And I will soar with You
Your Spirit leads me on in the pow'r of Your love

Hold me close, let Your love surround me
Bring me near, draw me to Your side
And as I wait, I'll rise up like the eagle
And I will soar with You

12 These Things Are True Of You [\(Back to DP16\)](#)

Unshakeable immovable, faithful and true
Full of wisdom strength and beauty
These things are true of You

Fearless, courageous, righteousness shines through
in all You do
Yet You're so humble
You laid down Your life
These things are true of you

And as I turn my face to You
Oh Lord, I ask and pray
By the power of Your love and grace
Make these things true of me too
Make these things true of me too

And as I turn my face to You
Oh Lord, I ask and pray
By the power of Your love and grace
Make these things true of me too
Make these things true of me too

From the ends of the earth I cry
Your peace will lead me to
The Rock that is higher than I

Hear my prayer, O Lord
From the ends of the earth I cry
Your peace will lead me to
The Rock that is higher than I

For You have been my strength in times of trouble
A tower above my enemies
And Lord, I will abide with You forever
In the shelter of Your wings

Hear my prayer, O Lord
From the ends of the earth I cry
Your peace will lead me to
The Rock that is higher than I

For You have been my strength in times of trouble
A tower above my enemies
And Lord, I will abide with You forever

Hear my prayer, O Lord
From the ends of the earth I cry
Your peace will lead me to

15 The Family Prayer Song [\(Back to DP16\)](#)

Come and fill our homes with Your presence
You alone are worthy of our reverence
As for me and my house, we will serve the Lord
As for me and my house, we will serve the Lord
As for me and my house, we will serve the Lord
We will serve the Lord

Lord, we vow to live holy, bowing our knees to You
only
As for me and my house, we will serve the Lord
As for me and my house, we will serve the Lord
As for me and my house, we will serve the Lord
We will serve the Lord

Staying together, praying together
Any storm we can weather, trusting in God's Word
We need each other
Fathers and mothers
Sisters and brothers
In harmony and love

As for me and my house, we will serve the Lord
As for me and my house, we will serve the Lord
As for me and my house, we will serve the Lord
We will serve the Lord
We will serve the Lord
We will serve the Lord

2 He is Worthy ([Back to DP17](#))

Come and see the beauty of the Lord
Come and know the wonder of His grace
Come and see how much He cares for you
Gaze and look compassion on His face

Come and touch the nail prints in His hands
Find a friend who truly understands
Come and stand beneath the blood stained cross
Proof of His unchanging love for us

He is worthy, worthy of our praise
He is worthy, worthy of our praise
He is glorious, He is wonderful, He is everything to
me

Come and see the stone's been rolled away
The tomb is empty where His body lay
Why seek the living One among the dead?
You won't find Jesus there because He lives
He lives

He is worthy, worthy of our praise

He is glorious, He is wonderful, He is everything to

This God that we worship
This God that we praise
He is the ancient of days
And not some idol made a stone

With one move of His hand
Just like castles in the sand
They will be gone

But the God we serve is living
Ah, He is worthy of our giving our lives and all we
own

Glory and honor, power and riches
Glory and honor, power and riches
Glory and honor, power and riches
They are His and His alone

This God that we worship
This God that we praise
He is the ancient of days
And not some idol made a stone

With one move of His hand
Just like castles in the sand
They will be gone

But the God we serve is living
Ah, He is worthy of our giving our lives and all we
own

Glory and honor, power and riches (Glory and

14 It's You [\(Back to DP17\)](#)

So precious are the promises You've given
Unfailing is the way You've kept each one
There is nothing I could do to show I'm thankful

Or repay You for the richest of Your love

And it's You, Lord, it's You
Oh it's You, only You
Oh it's You, only You
You're the One that I adore
And these words cannot express
This deep devotion of my heart to You

16 Here I Am [\(Back to DP17\)](#)

If You ask me for an offering, I'll give it
If You want sacrifice, I would obey
But my life is all I have and I will live it
Dedicated to the honor of Your name

Gladly will I bow down as Your servant
Gladly will I wait for Your command
I commit my trust to You for You deserve it
I delight within the guidance of Your hand

Here I am, and I long to do your will
Here I am, I'll follow your command
Here I am, until my calling is fulfilled
Here I am, here I am

For You have placed Your holy word within me
Your book of truth is living in my heart

Written on each page from the beginning
There's a call for me to play my part

Here I am, and I long to do your will
Here I am, I'll follow your command
Here I am, until my calling is fullfilled
Here I am, here I am
Here I am, here I am

Lord, I have sung Your praise
I've lifted up Your name
I've told the congregation
Lord of Your great salvation, Lord

Here I am, here I am
Gladly will I wait for Your command

Here I am, and I long to do your will
Here I am, I'll follow your command
Here I am, until my calling is fullfilled
Here I am, here I am

Here I am, Lord
Waiting for Your command, Lord
Here I am, Lord, here I am

Here am I send me (send me)
Here am I send me (send me)
Here am I send me (send me)
Here am I send me (send me)

Father in Your presence
Cleansed by Your forgiveness
Captived by the love You give to me

But above all the praise
I hear Your voice so clear
Who will I send, who will go for Me?

Here am I send me, I'm available
To serve You is my desire
If Your presence Lord does not go with me
How will they know that Your favor rests upon me
But I've tasted of Your glory, please send me
Here am I send me (send me)
Here am I send me (send me)

Come into Your presence, demand some sacrifice
The fruit of our lips giving praise
But Your Spirit makes it clean You as much more for me
Because this whole world is Your sanctuary

Here am I send me, I'm available
To serve You is my desire
If Your presence Lord does not go with me
How will they know that Your favor rests upon me

But I've tasted of Your glory, please send me

Here am I send me, I'm available
To serve You is my desire
If Your presence Lord does not go with me
How will they know that Your favor rests upon me
But I've tasted of Your glory, please send me

Double Praise 18 Grace Alone 1998

<https://www.musixmatch.com/album/Maranatha-Music/Praise-18-Grace-Alone>

1 Knowing You (All I Once Held Dear) [\(Back to DP18\)](#)

All I once held dear, built my life upon
All this world reveres, and wars to own
All I once thought gain I have counted loss
Spent and worthless now, compared to this

Knowing you, Jesus
Knowing you, there is no greater thing
You're my all, you're the best
You're my joy, my righteousness
And I love you, Lord

Now my heart's desire is to know you more
To be found in you and known as yours
To possess by faith what I could not earn
All-surpassing gift of righteousness

Oh, to know the power of your risen life
And to know You in Your sufferings
To become like you in your death, my Lord
So with you to live and never die

I Love The Lord

The Lord is gracious and righteous
Our God is full of compassion
The Lord protects the simple hearted
He has become my salvation

I love the Lord for He heard my voice
He heard my cry for mercy
I love the Lord because He turned His ear to me
I will call on Him as long as I live
I will call on Him as long as I live
I will call on Him as long as I live

3 Father of Life [\(Back to DP18\)](#)

Father, our God and Father
You are the Author of Life
Father, You freely offer
Your healing water of life

You welcome all the thirsty
Whose wells have run dry
To love and tender mercy
Like a river from on high

4 Shallow Water [\(Back to DP18\)](#)

Take me out of the shallow water
I can stand on my own
Carry me over the deepest part
I trust in You alone

If holding You is a weakness, Lord
Don't let me be so strong
Take me out of the shallow water
In Your arm is where I belong

Take me out of the shallow water
I can stand on my own
Carry me over the deepest part
I trust in You alone

If holding You is a weakness, Lord
Don't let me be so strong
Take me out of the shallow water
In Your arm is where I belong

Take me out of the shallow water

Carry me over the deepest part
I trust in You alone

If holding You is a weakness, Lord
Don't let me be so strong
Take me out of the shallow water
In Your arm is where I belong

Where I belong (shallow water)

5 I Can Begin [\(Back to DP18\)](#)

Let me look into Your eyes Lord Jesus
Let me touch Your nail prints in Your hands
Lead me to the place where I can trust You
So I may find my grace in time of need

I can't live without Your holy presence
I don't have to strive to enter in
Knowing that Your blood has made provision
Right here where I am, I can begin

Begin to love You
And I will praise You
I will draw near to You
Because You love me o precious Lord

Every time I think about Your mercy
Holy One whose heart is full of grace

My wounded spirit melts away into Your arm of love
And once again I look into Your face

And begin to love You
And I will praise You
I will draw near to You
Because You love me o precious Lord

So I will love You
And I will praise You
I will draw near to You
Because You love me

Oh I want You love me
Oh precious Lord
Oh precious Lord

No one else fills my heart like You do
My hands I will raise, my voice sings Your praise
All I want, precious Lord is You

Every promise we can make, every prayer and step of faith
Every difference we will make is only by His grace
Every mountain we will climb, every ray of hope we shine
Every blessing left behind is only by His grace

Grace alone, which God supplies
Strength unknown, He will provide
Christ in us, our cornerstone
We will go forth in grace alone

Every soul we long to reach, every heart we hope to reach
Everywhere we share His peace is only by His grace
Every loving word we say, every tear we wipe away
Every sorrow turned to praise is only by His grace

Grace alone, which God supplies
Strength unknown, He will provide

Christ in us, our cornerstone

13 FROM EVERLASTING TO EVERLASTING

[\(Back to DP19\)](#)

From everlasting to everlasting

Let the people praise the Lord

From everlasting to everlasting

Thou art God forevermore

Before the mountains were ever formed

Before the earth's foundation was laid

A thousand years to You are but a moment

As yesterday passing by like a watch in the night

From everlasting to everlasting

Let the people praise the Lord

From everlasting to everlasting

Thou art God forevermore

And like the fading grass that withers away

All of our years soon pass as only a day

Your steadfast love is faithful forever

Justice and righteousness surround Your throne

And He knows that we are dust

Yet how great His loving kindness

As far as east is from the west

All that we've transgressed He's taken away

And like the fading grass that withers away

All of our years soon pass as only a day

Your steadfast love is faithful forever

Justice and righteousness surround Your throne

From everlasting to everlasting

Let the people praise the Lord

From everlasting to everlasting

Thou art God forevermore

Thou art God forevermore

Sing hallelujah

That covers all my guilt and shame
In all the earth, who is like the Lord

12 So Great A Salvation [\(Back to DP20\)](#)

Lord in your faithfulness, You have pursued me
Gently and tenderly, Lord you have wooed me
Who could imagine I would find all of the riches that are mine

So great a salvation, so costly the gift
So great a redemption, so the dying might live
So great a salvation, so high the price
So kind a redeemer, supreme sacrifice

Great is your love, great is your love, great is your love

The gift is not just for me, but all of creation
How then can we ignore, so great a salvation
Who can completely understand how vast and
awesome is your plan

So great a salvation, so costly the gift
So great a redemption, so the dying might live
So great a salvation, so high the price
So kind a redeemer, supreme sacrifice

14 When We See Him [\(Back to DP20\)](#)

When we see Him we shall be like Him
When we see Him there will be only tears of joy
When we see Him in the clouds, every nation
nation will bow
And we'll proclaim, proclaim Jesus Christ is Lord
And we'll proclaim, proclaim Jesus Christ is Lord

When we see Him we'll see our Blessed Hope
On that long awaited day, there will be no more

hate or pain
On that white horse He'll ride, He'll split the eastern
sky
And we'll proclaim, proclaim Jesus Christ is Lord
(He is Lord)
And we'll proclaim, proclaim Jesus Christ is Lord

When we see Him we will be face to face
With our Redeemer, the One who took our place
Then we'll walk those streets of gold to our eternal
home
And we'll proclaim, proclaim Jesus Christ is Lord
(We'll proclaim)
And we'll proclaim, proclaim Jesus Christ is Lord
(Yes, He is Lord)
And we'll proclaim (we'll proclaim) proclaim Jesus
Christ is Lord
