LATTER RAIN

Intro: C

This is the hour, the time has come

His Spirit calls, He calls us on

To make this land, holy for the Lord

This is the time to seize the day

We rise in faith, the promise comes

To make this land, holy for the Lord

Chorus:

These are the days of the latter rain

Days of power, days of grace

This is the time the fire will fall

To make this land holy

To make this land holy to the Lord

This is the time, our finest hour

Of battles fought and victories won

To make this land holy to the Lord

And from this time our future calls

The promise sure, the rain will fall

We see this land holy to the Lord

THE GREAT SOUTHLAND

 This is our future, this is our hope
 A land of reaping, a land of harvest
 This is our land, this is our home

Chorus

This is the Great Southland of the Holy Spirit
 A land of red dust plains and summer rains
 To this sunburnt land we will see a flood
 And to this Great Southland His Spirit comes

This is our nation, this is our land
 This land of plenty, this land of hope
 The richest harvest is in her peoples
 We see revival, His Spirit comes

This is our nation, this is our land
 This lucky country, of dreams gone dry
 And to these people we see a harvest
 And to this land, revival comes

YOUR NAME

I hear the sound of a holy war
A battle going on in the name of the Lord
He's already won the victory
The saints rise up and the enemy flee
God of creation, He is on your side
He came that we might have new life
You took my destiny into your hands
In Jesus name I safely stand

My hearts on fire
To do your will
My one desire
Is to spend my life time praising

Your name (Your name)
Your name (Your name)
Heaven and earth are going to bow
Down to Your name (Your name)
Your name (Your name)
My soul rejoices at the mention of
Your name (Your name)

Your name (Your name)

The sick shall recover when they call

To you

No other name like Jesus

No other name like Jesus

I'LL LOVE YOU MORE

I bow my knee I give myself

As a living sacrifice for You

I lay me down before Your throne

Take my past I will stand for You

Let Your blood wash over me

Let Your blood wash over me

You have cleansed my heart

And set my spirit free

You are my Lord

I'll love You more

And follow You

No matter where, no matter when

MAKE ME YOUR SERVANT

I want to be Your hands

And be Your feet

Lord make me Your servant

I want to tell Your love

To everyone I meet

Lord make me Your servant

And when You call me servant

You really call me friend

Your love has made me love You

And want to serve You

Make me the one You send

OH HOLY SPIRIT

Oh Holy Spirit

Spirit of God

Purifying fire

Transforming power

Oh Holy Spirit

Overwhelm my heart

And let Your presence fall

Lord let Your power fall

Let Your presence fall

On me

Oh Holy Spirit

Spirit of grace

Sanctifying fire

Refining flame

Oh Holy Spirit

Saturate my soul!

WITHIN YOUR LOVE

Oh Lord You have searched my heart
You have known my thoughts my ways
You guide each step till it leads to You
And I am found safe within Your love

Hold me now
Safe within Your arms
Hold me closer
Safe within Your love
Touch me now Lord
With the power of forgiveness
Hide me now
In the brightness of Your love

Oh Lord where can I hide
From this love that can know no end
I am found in this state of grace
I am found safe within Your love

I SURRENDER

You're softening my heart
To the knowledge of Your love
And opening my eyes
You light the way to love You
Words alone cannot express
All the hope that You have placed within me
In between each heartbeat Lord
I surrender

You gently pick me up
Wash me with Your love
And opening my eyes
You speak the Word
Healing, releasing all the hurts and fears
By the hope that you have placed within me
In between each heartbeat Lord I surrender

I surrender to You, I surrender to You
Everything I am and ever hope to be
I surrender

We call upon Your Name
Humble ourselves and pray
Move in our hearts, move in our land
Every nation, tribe and tongue
Will proclaim Your kingdom come

Chorus:

We pray, pray
Open the windows of Heaven on us
Today, we pray
Pour out Your Spirit, Your wonders on earth

We come on bended knees
We bring an offering
Lead us in Your way everlasting
Every heart of every man
Will pray Your will be done

Bridge:

Our Father, who art in Heaven
Hallowed be Your Name
Your kingdom come

Your will be done on earth as it is in Heaven

And lead us not into temptation

Deliver us from evil

For thine is the Kingdom

The power and the glory

Forever and ever

HEAVEN ON EARTH

Rags to riches, so they say
She got her break and she found her way
I admit this may sound strange
This girl is dancing a different way

If they only knew how You've mended
My broken wings, now I'm flying

Chorus:

Your love is Heaven on earth
I'll shout it out
To all of the world there's no doubt
My greatest dreams it has come true
Just to be loved by You

Whom You set free is free indeed
I've got the strength of my God in me
Well. You restored my dignity
Oh, completely You loved me

Bridge 1:

Just to be loved by You
I'm in Heaven

Heaven on earth

Bridge 2:

Promise to promise

This must be Heaven on earth

Glory to glory

This must be Heaven

Heaven on earth

If they only knew how You've mended

My broken heart, now I'm living

EVERYTHING ABOUT YOU

You chased me, I caught you

So glad we found each other

We whispered, forever

To share our lives together

To watch our dreams unfold

Chorus:

I love everything about you

Everything you are

You'd catch a falling star if I asked you

And I couldn't live a single day without you

You hold me in your arms

And once again I know

That I'm the only one for you

The way you laugh, the way we dance

The way you hold my hand

The way you give, the way you kiss

The way you look at me

You make life beautiful

Bridge:

I love the light that shines on your eyes

When you talk about our girls

I love the way you smile

When they walk into a room

I love how you care about brokenness

How injustice moves your heart

Enough to make a change

You give all you are every day

PROMISE

You've made the mystery
Of life quite clear to me
The sparkling truth revealed is so satisfying
This treasure of life that You bring
Gives me this passion to sing
I need You, I run into Your arms

Hope of the world, Oh I come to You
Light in the darkness
You're shining Your heart in me

Chorus:

I promise, I promise
To eternity I'll live and die
To know You, to love You
For I've found what I've been looking for (I promise)

I sense You've known all along
This need in me to belong
Your wings of grace completely swept me away
True love is possible I know
Just look at me, does it show?

I long for the day that I see You face to face

Bridge:

Desire of all nations we come

Strength of my life

You are shining Your heart in me

KISS OF HEAVEN

I'm walking a new walk

I'll never be the same again

Dancing a new dance in Your Holy Spirit Rain

Your breath of life has overwhelmed me

And set my spirit free

I'm living a new life

Underneath Your morning star

Running a new race in the shadow of Your love

Your love is immeasurable

Too deep to comprehend

Chorus 1:

My Jesus, dream-maker

My Jesus, live-giver

I'm living under the Kiss of Heaven

And I'll never ever be the same again

I'm singing a new song

In the presence of my King

Giving You my heart that is all that I can bring

You lit a fire inside of me

That I thought would never burn again

Chorus 2:

I thank You my Father

For all You've done and all You're going to do

My past behind me and You before me

I press on for more

I'm living in the embrace of Heaven

And I'll never ever be the same again

WONDERFUL YOU

I wake to see the sun rise from her slumber
I hear the birds sing their songs of love
A knowing smile warms my face, I remember
To be thankful, it's beautiful day
My lost and lonely heart was calling
Out to find the way, then I found You

Chorus:

Wonderful You like a dream You came
Let me live again, oh now there's You
(Glorious/Beautiful) You
I need forever to know Your ways

There was a time when peace of mind just eluded me
And the sun was always clouded from my view
But You opened up my heart to see a new day
Now this fire within needs to praise
I once was lost, but then You found me
I'm in Your arms to stay, how I love You

Bridge 1:

Take my hand, show me the Word

Change my heart, Oh let it be true

Bridge 2:

My lost and lonely heart was calling

Out to find a way

Oh I once was lost and then You found me

I'm in Your arms to stay

THANKFUL

Felt Your gentle rain
You wash over my heart again
Then I find You here
Yes I find You here

You take me by the hand
And when I don't understand
You hold me near
You hold me near

Chorus:

To the cross I come again
So thankful, I'm thankful
Your mercy over me again
I'm so thankful, living God
I want to thank You, living God

In the light of day
Your truth defined my way
And You call me Yours
I'm forever Yours

MIRACLE

Seek Ye first the kingdom of God

And all these things shall be added unto you

We walk by faith, not by sight

Treasure the word, live in your light

For all you ask is all of me

My finest God I bring

All that I have Is from your hand

To You my God I sing

Chorus:

I am ready for a miracle

I'm expecting a miracle

That the house of God will be glorious

And the world will see

Every harvest starts with a seed of faith

See the nation rise and take its place

I am ready, ready for a miracle

From the widows mite to the wealth of kings

With a sacrifice we bring our offering

When this life on earth is said and done

This truth we know resounds forever

If it's a miracle

Get ready

Get ready

Bridge:

United we rise

One heart

One mind

I will wait, I will love

I look to You in the sanctuary

Drinking deep from Your holy fountain

Chorus 1:

And I need You more

Than the (morning needs the light/heavens need to sing)

CALL UPON HIS NAME

Not to us O God

But to Your name all glory

We give thanks and praise

To You alone forever

Praise Him all the earth

All creation bows to You

Nations stand in awe

He is the King of glory

Chorus 1:

To You Oh Lord

You reign in Heaven and on earth

To You alone

As the earth is filled with the knowledge of the Lord

Call upon His Name

The orphans and the widows

He'll lift you up again

And shower you with mercy

Bless you all my soul

Robed with strength and majesty

The Lion and the Lamb

Together come and worship

Chorus 2:

To You Oh Lord

You reign in Heaven and on earth

To You alone

As the earth is filled with Your wonder

All to You

Both now and evermore

Come and drink again

Be filled with living water

Call upon His Name

He is the King of Glory

YOU KNOW MY NAME

Chorus 1:

You hold the world in motion

You say the word and heaven opens

You flung the stars into space

God of wonders

You know my name

When the day is gone and the house is still

My hungry soul cries out to find You

And You're waiting for me

Waiting for me

So many things I long to say

But in Your presence I am speechless

For I am loved by You

In a crowded world Your faithfulness

Reaches to hold me

Even thankful that I am loved by You

Bridge:

There's an anthem beckoning in me to sing

I'll play it for You, play it for You

There's a song of hope that I need to bring

I'll sing it for You, sing it for You

Every time I call Your Name I know

You're waiting for me, waiting for me

Every day and night I come and bow

Before Your throne

Chorus 2:

You, ocean rise to praise You

You paint the skies with the colours of grace

You, hold in my life in Your hands

God of wonders

You know my name

NEVER GIVE UP

Never give up, never give in

Never look back

C'mon now my friend

You're not alone

The hope of tomorrow is calling

There's a brighter day on the other side

But it's up to you to put back on your stride

So get up, step out, live it

Honey don't you give up

It's time for you to start to breathe again

For the sun and the moon have never stopped

Shining on you my friend

I know you feel the world has passed you by

But the greatness in you is starting to rise

Chorus:

Faded dreams need to be recoloured

I know you've had it bad

But it's time to dream again

Write it down my friend

Make it plain oh yeah

That desire you hold

It will see the light of day

There's a beautiful day on the other side

But it's up to you to put back on your stride

So get up, step out, live it

Honey don't you give up

What's it gonna take for you to see

That it's only the grace of God

That will set you free

What's it gonna take for you to

Open up your eyes

Look beyond the skies

Never, never, no never give it up

Time to breathe again

Time to dream again

This desire you hold

It will see the light of day

CHANGE YOUR WORLD

Though I'm many miles away
How could I forget the day
I held you close
And my heart was changed forever

Though I'm many miles away
I'll forever hear you say
I am your child
Please will you love me
Won't you stay my little one

Chorus 1:

I live to change your world
I live to change your world
Oh how you've changed my world
Know the kindness of God
Will make a way

There's not a day that passes by
When I don't hear your hungry cry
I won't forget you
Oh how I love you

Just be strong my little one

He rejoices over you with singing

He will quiet you with his love

I know you'll be dancing

When your heart is heavy

Heaven will make a way

Just hold on

Chorus 2:

I live to change your world

I live to change your world

Oh how you've changed my world

Oh how you've changed my world

And when the night is long

And hunger is your song

Breathe again and know

To hope is never wrong

Change your world

Ocean of mercy calling

Heaven will rain again

WHERE WOULD I BE?

You knew me even as a child I heard

You call me closer

Clearly like a song I've always known

You would play for me

Like the breaking of the dawn

Everyday I long for more of you

Chorus:

Where would I be without your love

Where would I be without your hand

On my life

Lifted through the valleys, through the pain

I know you're with me

Carried, like I'm dancing in the rain

You cover me

Then you catch me when I fall

As we walk this gift of life

I need you

Bridge:

Forever

I will follow you

I will live for you

Forever

I will worship you

I will follow you

Forever

I will live for you

I will worship you

Forever

Will you dance with me again

For I can only live this life

With you

SING OVER ME

Holy one, I come again

And run into the shelter of your wing

On my knees, before you now

You gently lift the burden of my heart

And you sing over me

Yes you sing over me

Chorus:

The wonder of

The mystery of

Your unfailing love, forever

How wonderful

How beautiful

Your amazing love, forever

Breathe on me, Holy one

I linger in the presence of your love

Heavens song, surrounding me

Lift me up again to bring you praise

And you sing over me

Yes you sing over me

Heavens song, surrounding me

Yes you sing over me

YOU ARE HOLY

You are holy

To be held in utter reverence

At times I hold my breath

And tremble and behold your majesty

You are worthy

Of all praise and adoration

And when I fail to bring you pleasure

You extend your grace again

In the morning

I will seek you

In the evening

I will love you

Chorus:

I sing hallelujah

I sing

Join the angels to worship

Honour

And praise your holy, holy name

You are perfect in all your ways

I come before you

Lift my hands to say I love you

For your love it is enough

With my life Lord, I will serve you

Every moment to be found in you

Holy are you

Holy are you

And praise your holy name
